Join Australian Red Cross for an evening discussing the issue of nuclear weapons and the 2017 Treaty on the Prohibition of Nuclear Weapons.

Hear from guest speakers **ICRC Head of Mission Australia Leonard Blazeby** and former Minister for Foreign Affairs and Defence, **Professor Stephen Smith** on the following:

- The ICRC's involvement in the global campaign to abolish nuclear weapons.
- The ICRC's contribution to the 2017 Treaty on the Prohibition of Nuclear Weapons.
- The history of Australia's nuclear weapons policy and Australia's approach to treaty ratification and implementation.

"Nuclear weapons are the most terrifying weapon ever invented. They threaten the very survival of humanity."

Peter Maurer, ICRC President
